PYOP Studio Stuff Pumpkin Doo Dad

PYOP STUDIO STUFF SUPPLIES:

Rustic Home State Silkscreen

3rd Qtr Doo Dad Occasions Silkscreen

SUPER SIMPLE STEPS:

1. Paint the top of the plate with 3 coats of Light Grey.
2. Water down the Dark Grey paint with 50% water to 50% paint. Working small sections at a time, use a fan brush to apply the paint. Then immediately use a crumpled paper towel to blot, creating a mottled look.
3. To screen on the H-M-E letters, start with the H on the top edge of the plate, then the E on the bottom edge. Finally, line up the M up above the E and screen it on. This leaves room for the Doo Dads.
4. Use Black goo to screen on the outline only (no face) of the pumpkin to the Doo Dad, then paint in with 2 heavy coats of Teal on the pumpkin and Brown on the stem.
5. When the pumpkin dries, add detail with a very small amount of White paint to create dry brushed effect.
