2. Then, take the fan brush and paint Light Brown from the edge of the plate working toward the center allowing the colors to blend where they meet. Repeat steps 1-2 again.
3. Use Medium Brown to paint the edges of the plate letting it blend into the Light Brown.
4. Screen sloth face to the center. Add 1 coat of Medium brown to the hair.
5. Paint 2 heavy coats of Medium Brown around the eyes, paint 2 heavy coats of Dark Brown around the nose and mouth.
