PYOP STUDIO STUFF SUPPLIES:

Easter Egg Plate Silkscreen

SUPER SIMPLE STEPS:

1. Before applying, rinse the silkscreen in warm water and dry with a paper towel. This makes the silkscreen more flexible.
2. Screen the egg design onto the plate using Black goo.
3. Thin the paint down slightly by mixing together 25% water to 50% paint.
4. Paint in design with one heavy coat of desired color.
