### SUPER SIMPLE STEPS:

1. In small dishes, water down Lightest Pink, Pink, and Rose Pink with 50% paint to 50% water. Use a banding wheel to apply Lightest Pink to the top third, Pink to the middle third, and Rose Pink to the bottom third, allowing them to overlap and blend together.
2. Use Dark Grey goo to apply the V-day elements all over the vase.
3. Use a detail brush to fill in the hearts on the top half of the vase with one coat of Pink and Rose Pink. Then for the bottom half we used one coat of Rose Pink and Darkest Pink.
4. With a detail brush add one coat of Speckled White, Light Grey, Green, and Brown, to fill in the remaining designs as desired.
5. Use a fan brush to paint three coats of Dark Grey to the inside of the vase.
6. Finally, use your Black Goo to screen "Happy Valentine's Day" to one side of the vase.
