SUPER SIMPLE STEPS:

1. Start the plate by painting 3 coats of Yellow with a fan brush to the top of the plate.
2. Allow Yellow to dry before using Black goo to screen on the Lion face to the plate.
3. Use a detail brush to add one heavy coat of Tan to the ears, and one heavy coat of Pink to the inside of the ears and the nose, and Brown to the eyebrows.
4. Add texture to fill in the mane with your detail brush by adding in streaks of Tan and Brown. Then use the same technique to add cream to the whiskers.
