### SUPER SIMPLE STEPS:

1. Add water to your Red, Orange, Yellow, Green, Blue, and Purple paint to thin it down. We used 50% water to 50% paint.

2. Use a medium brush to add splotches of paint randomly around the mug. Allow the colors to overlap and blend then repeat for a second coat.

3. Paint the inside and the handle with 3 coats of Black.

4. Use Black Goo to apply the "Antisocial Butterfly" design. Then use the Black Goo to apply the butterfly from the 80's sticker screen around the rest of the mug.
