PYOP STUDIO STUFF SUPPLIES:

- 3/4" Studio Stripes
- 3" Studio Spots
- 1" Studio Spots
- 3/4" Studio Spots
- 1/2" Studio Spots
- Note Taker Silkscreen
- Naughty Sentiments Shit's About To Get Fancy Silkscreen

SUPER SIMPLE STEPS:

1. Use a marker to give yourself a basic sketch of where you'll put your "list" and spots. Then paint on 3 coats of your desired color in each of those sketches. It is best to paint the circles bigger than the actual size of the sticker so that you get a cleaner line. Allow to dry.
2. Use the 3/4" Studio Stripes to mask off the rectangle for your list, then stick on your spots.
3. Paint all over the plate with 3 coats of Purple. Allow to dry for a couple minutes before removing the tape and spots with a pin.
4. Use Navy Goo to screen the Notetaker screen to the rectangle to make the list. Then use the Black goo to screen on just "shit list" to the top of the list.
5. Use the Black Goo to put the full quote onto the 3" circle. Add details of black on the edges of the spots if desired.
