SUPER SIMPLE STEPS:

1. Use the Black goo to print the hand toward the bottom of the mug. Paint in with 1 heavy coat of desired skin tone. Allow to dry.
2. Screen on the quote using your Black goo again, allowing it to overlap with the hand.
3. Paint around the quote and hand with 3 coats of lime to create the background.
4. Use Turquoise goo to apply kissing face emojis all over the background, we let them twist and turn in different directions to add to the whimsy.
5. Paint 3 coats of Turquoise on the handle and inside the mug.
