PYOP STUDIO STUFF SUPPLIES:

Tea Time 2 Silkscreen
Harlequin Painting Lace
3/4" Studio Stripes

SUPER SIMPLE STEPS:

1. Set the silkscreen in the middle of the plate and screen on the stack of cups using Black Goo. Allow to dry.
2. Use the 3/4" Studio Stripes to mask off a clean rim on the plate.
3. Apply 2 Coats of White paint to the rim you created. Then paint on a HEAVY fast coat and quickly press the lace into it. Use a stiff brush to spread all that paint over the lace, pushing firmly on the brush to seal the lace down.
4. To fill in the diamonds do just one heavy coat of your desired colors, we used Black and Coral. When the paint loses its shine, peel off the lace.
5. Fill in the cup designs using one heavy coat of your desired colors.
6. Use the back of a brush to apply black dots to where the lace meets the tray.
7. Paint 3 coats of black to the handles and to the back of the tray.
