PYOP STUDIO STUFF SUPPLIES:

Spring Flowers Silkscreen

SUPER SIMPLE STEPS:

1. Screen the design on the plate using Black Goo and a squeegee. Fire the plate before painting.
2. Mix your Blue paint with 50% water to 50% paint. Then, use a fan brush to sweep on one coat over the design to create the sky (we stayed inside the scalloped border).
3. Water down all your colors with 50% water to 50% paint. Use your desired colors to fill in the designs with 1 coat of your watered down paint.
