2. Paint three coats of Blue to the space in between the tape.
3. Remove the tape and paint in 3 coats of Light Yellow to half of the rays, and 3 coats of Orange to the other rays.
4. Remove the spot using a straight pin, then paint in 3 coats of Yellow to the sun.
5. Use Black Goo to screen on the quote to the center, and one coat of Black paint to make little dashed outline around the sun and rays.
