Mayco SC15 Tuxedo
Gare 2314 Black Lab
CMM 31 Licorice

SUPER SIMPLE STEPS: You need Goo in Black

1. Use a sponge to apply two coats of Yellow to the top half of the mug.
2. Use another sponge to apply two coats of Green around the middle of the mug, blending the Green up into the Yellow. To help the colors blend, apply another coat of Yellow to the top and bring it down into the Green.
3. Use another sponge to apply two coats of Blue around the bottom of the mug, blending the Blue up into the Green. To help the colors blend, apply another coat of Green around the middle and bring it down into the Blue.
4. Apply a third layer of Blue around the bottom of the mug.
5. Paint the handle and the inside of the mug with three coats of Black.
6. When the outside of the mug is dry, apply the words to the side of the mug, using a squeegee.
