PYOP STUDIO STUFF SUPPLIES:

Two Chicks + a Brush Hearts and More Hearts Big Ass Silkscreen
Two Chicks + a Brush Snarky Cupid Silkscreen

3" Studio Spot

SUPER SIMPLE STEPS:

1. Place your 3" Studio Spot sticker on the canister, we placed it about an inch from the top. Press it down and seal the edges with your thumbnail.
2. The screen won't wrap all the way around, so place the center of the screen where the spot sticker is and apply using Black goo.. Then, rinse out the screen and fill in the space that's left.
3. We are going to apply the color in "rows". Fill in each heart with one heavy coat of color.. The first inch or so you'll alternate between Red and Coral.
4. The next inch or so, alternate between Orange and Peach. Next, you'll use Light Yellow and Bright Yellow to fill in the next inch or so.
5. Continuing to fill in the hearts about an inch at a time, use Lime Green and Aqua. After that, use Light Blue and Dark Blue to fill in the next inch.
6. Fill in the remaining hearts alternating between Light Purple and Dark Purple.
7. Use a straight pin to remove your spot sticker by poking the sticker away from the edge and scoop the pin upward to pull the edge up and peel.
8. Use Black goo to put the quote inside the blank circle. Then use Black to create a border of little dots to frame in the quote.
